May 4, 2009

To The Residents of Norton,

You may or may not be aware that the Norton Fire Department now has a Ladies Auxiliary. This month, we are celebrating our first year of operation!

We have had quite a busy and successful year. We were able to provide vital support to our firefighters during three fully involved structure fires as well as two training burns in Applecreek, OH. We also hosted a Christmas party for our fire department members and their families, raised money for the Children's Burn Unit, and provided help for the benefit for Luke Smolinski who is a child in need within our community.

Now that we have had a year of experience under our belts, we feel that it is time to open up our membership to the general public. It is really important for us to have members that are a part of our community. You have a unique perspective on the needs of our community which will be vital to the operations of the Auxiliary. Haven't you ever wished there was something you could do to help your fire department? Well, your opportunity has now come! In order to become a member, you must be 18 years or older and submit an Application Of Membership to one of the Auxiliary members. Once your application has been submitted, the officers and trustees of the Auxiliary will review and vote on the accepted applications.

We would love to have you be a part of this wonderful organization. Our mission is to be dedicated to assisting our firefighters and their families by providing essential support services during times of triumph and tragedy. Once the needs of our "Fire Family" have been met, then we can organize and participate in fundraising and charitable events that will support our firefighters and the members of our community.

If you have been looking to be a part of an organization that really makes a difference, the Norton Fire Ladies Auxiliary is the perfect group for you! If you are interested in becoming a member, please e-mail me, Laura Schultz, at kickgirl1@sbcglobal.net or call me at **330-815-7522**.

Looking forward to having you a part of our group.
