Norton Fire Ladies Auxiliary 2008

Mission Statement

The Norton Fire Ladies Auxiliary is dedicated to assisting our Firefighters, their families and our local community. Our mission is to actively engage in the promotion, support and camaraderie of our Firefighters. The focus of our organization will always be, first and foremost, on building a strong support system for our Firefighters and their families and to represent our "Fire Family" with pride, honor and commitment to public safety and dedication to community service.

Our support services will include, but are not limited to:

- Support group for retired, or injured Firefighters, and deceased Firefighter's families.
- Provide Fire Victims support and relief.
- Disaster relief assistance.
- Provide food and drinks at extended training, structure fires and any other occasion, as needed.
- Plan and organize social events for our Firefighters and their families.
- Plan, organize and participate in fundraising and charitable events.

Appreciation

We would like to acknowledge all of our members for their dedication and time in making this cookbook possible. We would also like to thank all of the firefighters and their family and friends for contributing their favorite recipes for everyone to share. We sincerely hope you enjoy these foods as much as we do!
