October 2005

Dear City Of Norton Resident:

J&J Refuse, Inc. is proud to announce that in August 2005 Mayor Kernan and the Norton City Council designated J&J Refuse as its citywide refuse and recycle contractor. J&J Refuse was selected through a public bidding system as the lowest and best bidder for services and pricing. Mayor Kernan and the Norton City Council highly recommend that you sign up with their chosen trash service provider in order to take advantage of one of the three levels of services and pricing we have to offer. J&J Refuse is a family-owned company with more than 50 years of experience in the landfill and refuse industry. It is our mission to provide dependable, efficient and safe service at the most economical cost to our customers.

The contract between J&J Refuse and the City of Norton will begin on January 1, 2006; however, the City of Norton has received numerous requests from residents wishing to sign up for service with J&J Refuse right away. Mayor Kernan and the Norton City Council have asked J&J Refuse to consider beginning a program at this time for those wishing to sign up early. This will allow residents whose current hauling agreement ends prior to January 1, 2006 to take advantage of the pricing and service offer now. J&J Refuse is honoring their request, and we are inviting all residents of the City of Norton to sign up with us at any time.

It is important to note that all early-start customers will be picked up on Tuesdays. In December 2005, some Tuesday customers may be advised of a new collection day which will take effect in January 2006.

New customers can choose from three levels of service:

Bag Service ~ Pay As You Throw Program - Package of 10 Bags Imprinted with J&J's Logo for ~~\$30.00~~, and One (1) 18-Gallon Recycle Bin

Limited Service ~ ~~\$16.99~~ per month/~~\$49.67~~ per quarter - One (1) 95-Gallon Cart, One (1) 18-Gallon Recycle Bin (bi-weekly recycle collection), and Bulk Items

Unlimited Service ~ ~~\$15.76~~ per month/~~\$47.29~~ per quarter - One (1) 95-Gallon Cart, One (1) 18-Gallon Recycle Bin (bi-weekly recycle collection), Additional 30-Gallon Bags or Containers, and Bulk Items

All services are to be prepaid and Limited and Unlimited Services are billed quarterly.

To ensure the health, safety and welfare of all, each household must fill out and return the enclosed postage paid card requesting your name, address, telephone number and your desired level of service offered by J&J Refuse. In the bid specifications, the City of Norton requires J&J Refuse to develop and provide a current trash customer/service provider list for their records. The City of Norton also included an opt-out provision should a household elect to seek its own provider.

Please take a few moments to review the enclosed trash and recycling information. If you have any questions regarding our services please feel free to call our customer service office, Monday through Friday, between 7:30 a.m. to 5:00 p.m. at 1-800-201-0005.

J&J Refuse looks forward to welcoming you to our growing family of customers.
