AGREEMENT

This Agreement made at the CITY OF NORTON, Ohio on this 22nd day of January 2026, by and between the CITY OF NORTON, Ohio, acting by and through its Mayor (or designee) duly authorized by Ordinance No. _____, _____, passed by the Council of the CITY OF NORTON, Ohio on the _____ day of _____, _____, hereinafter referred to as the CITY, County of Summit, Ohio, herein after referred to as the COUNTY, and the Legal Defenders Office of Summit County, Ohio, Inc., a non-profit organization established per Chapter 120 of the Ohio Revised Code (ORC) and Chapter 120-1 of the Administrative Code (OAC), hereinafter referred to as the DEFENDER, collectively referred to as PARTIES.

WITNESSETH:

WHEREAS, the CITY wishes to enter into an agreement to obtain the services of the DEFENDER to provide legal counsel to indigent persons charged with loss of liberty offenses in its municipal jurisdiction for 2025; and

WHEREAS, pursuant ORC Chapter 120, specifically §§ 120.08 and .34, the state treasury maintains the indigent defense support fund to reimburse county governments for the expenses incurred by DEFENDER for the aforementioned services. Per OAC 120-1-09 it is necessary to enter into this Agreement in order for COUNTY to obtain reimbursement.

NOW, THEREFORE, in consideration of the mutual covenants, promises, conditions, and terms to be kept and performed, it is agreed between the PARTIES as follows:

Section 1. The DEFENDER shall provide counsel in the Barberton Municipal Court and the Summit County Juvenile Court to persons charged with a

violation of the Codified Ordinances of the CITY OF NORTON, Ohio for which a sentence of confinement may be imposed on such person should they be convicted, and who meet either of the following specifications:

- a. The judge has determined in accordance with Subsection D of Rule 44 of the Ohio Rules of Criminal Procedure that such person is unable to obtain legal counsel; or
- b. The DEFENDER or LDO determines that the individual is indigent in accordance with Sections 120.05 and 120.15 of the Ohio Revised Code and Section 120-1-03 of the Ohio Administrative Code.

Section 2. The fee for the services provided in Section 1 of the Agreement shall not exceed Two Hundred Fifty Dollars (\$250.00) per case. The DEFENDER shall provide a monthly list to the COUNTY and the CITY of all billable closed cases by the 15th day of the following month. The COUNTY shall pay the DEFENDER \$250.00 for each identified closed case on the monthly list. The CITY shall pay the COUNTY the unreimbursed portion of that fee in effect for each closed case on the monthly list (currently 18% of the fee or \$45 per case). The unreimbursed percentage is subject to change pursuant to the Ohio Public Defender's indigent defense reimbursement rate. Should the rate be changed by the state during the term of this Agreement, the PARTIES agree to abide by the new rate. PARTIES will cooperate to receive the maximum state reimbursement allowed by law.

Matters that have multiple CITY municipal code charges under one case number shall be counted as one case. Where a case has both a municipal code charge and an Ohio Revised Code, the case shall be billed to the CITY whenever the ordinance is the highest degree charge or ties for highest degree.

Further, in matters where the defendant is charged under one code type, but convicted of another code type, the code type in which the defendant is charged

under shall be used to determine billable status.

In the event that a defendant becomes unavailable during the pendency of the case, the DEFENDER shall keep the case open for a period of six months from the first missed hearing. At the expiration of that six months, the case shall be closed and billed accordingly. If the defendant becomes available after the matter is closed, the case will be re-opened and considered a new case for the purposes of billing at that time.

For all community control violations, show cause hearings or contempts filed six months or more after the original case has been closed, the fee shall not exceed One Hundred Twenty-Five Dollars (\$125.00) or 50% of the Two Hundred Fifty Dollars (\$250.00) per case.

All appeals of cases originally billed pursuant to this contract shall be billed at Two Hundred Fifty Dollars (\$250.00) per case. All appeals assigned to the DEFENDER for municipal code violation cases for which the DEFENDER was not trial counsel, shall be billed at Two Hundred Fifty Dollars (\$250.00). These will be billed in the same manner as the original case.

Section 3. The DEFENDER, on behalf of its attorneys and each attorney employed by the DEFENDER, individually, reserves the right to decline to advise or represent any particular person, consistent with the Ohio Rules of Professional Conduct. If a conflict is identified prior to arraignment or appointment of DEFENDER, DEFENDER shall not be appointed. The DEFENDER further reserves the right to withdraw from representation: (1) for a conflict of interest consistent with the Ohio Rules of Professional Conduct; (2) due to a finding of the client's financial ineligibility for the legal services; or (3) due to an excessive workload as determined by Section 120-1-07 of the Ohio Administrative Code. However, in the

event DEFENDER desires to withdraw due to financial ineligibility or excessive workload, the DEFENDER or the individual attorney shall continue representation previously commenced at the trial court level through all trial court proceedings, including capias and probation violation proceedings, and shall continue previously taken appeals until the appeals process is terminated by a final action on the merits by the appellate court or until alternate counsel is obtained.

Section 4. The Agreement shall expire on December 31, 2026. Billing for the aforementioned services may occur after expiration.

Section 5. In the event the CITY does not renew this Agreement, the CITY agrees to pay the COUNTY the applicable amount in Section 2 per pending case upon the completion of said case.

Section 6. The DEFENDER shall defend and hold harmless the CITY from any and all claims or liability resulting from the services performed by the DEFENDER under the contract.

Section 7. All amendments to this Agreement shall be in writing and signed by all parties.

Section 8. This contract shall be subject to the approval of the Ohio Public Defender Commission. In addition to indigency determination, all rules, standards and guidelines issued by the Office of the Ohio Public Defender and Ohio Public Defender Commission shall be followed.

IN WITNESS WHEREOF, this Agreement has been executed as of the day and year first above written.

Ord. No. 2-2026

Mr. Lukens noted that he is in agreement with many of the suggestions that Ms. Welch offered and he would like to see some of these things incorporated into the job description and duties. Mr. Harbert asked Mr. Rorar if it is possible to incorporate some of these suggestions by the next Council meeting. Mr. Rorar thanked Ms. Welch for her comments and agreed to consider her suggestions. He also said that he has met with the individual about this position and he believes some changes could be made. Mr. Tousley requested that this be added to the Committee of the Whole section of the next Regular Council meeting.

Mr. Lukens offered Ord. No. 2-2026 for its second reading and asked the Clerk to read it:

AN ORDINANCE ADOPTING AN AMENDED JOB DESCRIPTION AND DUTIES FOR THE ZONING ADMINISTRATOR AND SALARY SCHEDULE FOR SUCH POSITION; AND DECLARING AN EMERGENCY.

Ord. No. 3-2026

Mr. DeHarpart offered Ord. No. 3-2026 for its second reading and asked the Clerk to read it:

AN ORDINANCE ADOPTING A MORATORIUM ON APPLICATIONS FOR, AND THE GRANTING OF, ZONING CERTIFICATES FOR ANY BUILDING, STRUCTURE, USE OR CHANGE OF USE THAT WOULD ENABLE THE CULTIVATION, PROCESSING, DISTRIBUTION OR SALE OF ADULT USE CANNABIS FOR A PERIOD NOT TO EXCEED SIX MONTHS IN ORDER TO ALLOW THE CITY TO REVIEW APPLICABLE STATE AND LOCAL LAWS, TO PLAN FOR REGULATIONS RELATING TO SUCH USES; AND DECLARING AN EMERGENCY.

Second reading.

Mr. DeHarpart opened the floor for discussion. Mr. Lukens asked if there has been interest and Ms. Keener answered in the affirmative that inquiries have been made. Mr. Lukens noted that the voters of Ohio approved this and that a moratorium in Norton has been in place since then recognizing that Norton has been waiting on state regulations. Mr. DeHarpart noted that the City of Ravenna opened a dispensary and received over \$400,000 in state revenue, which they directed to their Police Department budget. Mr. Harbert said he has asked the Planning Commission to determine a zoning location for these type of businesses and to give Council some information. Mr. Harbert reported that in the first 16 months, Akron received \$823,000 for three dispensaries; Cuyahoga Falls \$440,000; Elyria \$337,000. Mr. Harbert has asked Chief McShane to investigate criminal activities associated with these businesses. Mr. Harbert noted that he is not going to support another moratorium. Mr. Tousley expressed concerned about not passing a moratorium without a zoning code in place. Mr. DeHarpart said there are state guidelines in place. Mr. Lukens would like to hear from Chief McShane on the criminal activity and Ms. Keener shared a text from the Chief that he has reached out but has not heard back, yet. Mr. Harbert said that the Ohio State Highway Patrol has information on marijuana versus alcohol DUI, which continues to go down every year. He said that Chief McShane will give us some feedback. Mayor Zita noted that the date the application is made to the Planning Commission is when the business would have to comply with the zoning code. Mr. Rorar said at this point, the Planning Commission would defer to the State guidelines. Mr. Harbert said that the Planning Commission will review this at the January 28, 2026 meeting. Mr. Lukens suggested waiving the third reading and putting the moratorium in place tonight. Mr. Eader said that if there is a moratorium, interested business will look elsewhere.

Mr. DeHarpart moved to waive third reading; seconded by Mr. Tousley.

INTRODUCTION OF PRIOR LEGISLATION

Ord. No. 119-2025

Ms. Lee offered Ord. No. 119-2025 for its third reading and asked the Clerk to read it:

AN ORDINANCE AUTHORIZING THE ADMINISTRATIVE OFFICER TO EXECUTE AN AMENDMENT TO AN AGREEMENT WITH NORTON ENERGY STORAGE LLC; AND DECLARING AN EMERGENCY.

Mr. Tousley said he is not sure if Norton owning the mine is great but we are being asked to vote on something that is extremely consequential and he feels the only way to protect residents is for Norton to own it. He wants to know what is going on there. He said we have not been able to determine the cost of insuring the mine, but that someone has had to have been insuring it over these past years. There has been no discussion about this and he needs more information to make a decision.

Mr. Lukens said that the discussion about the Data Center was divided with some in favor and some against. Many of the residents did not understand the deal was ended by the company and not by Norton. He agreed we still do not know definitively if it includes the land over the mine and the mine. Ms. Keener said we would have to purchase the surface property, which is \$1.15 million. Mr. Lukens said the mine is still sitting in escrow but the company will agree to a one-year extension. Mr. DeHarpart expressed concern over the fiscal responsibility to the City by not knowing the condition of the mine. So far, nobody has looked at it and the extension is necessary to avoid placing a financial burden on the taxpayer. Mr. Harbert said the one-year extension will give us time to explore it and he cannot support buying something that they do not know anything about. Mr. Tousley stated that the contract, Section 11.3 says that NES shall not store anything other than condensed air, but Mr. Markey said that the language does not matter in the future. Mr. Tousley said we don't have Exhibit A, but he remembers it said that NES said they won't be held responsible for the conditions of the mine. Mr. Tousley said that the City will be responsible. Ms. Lee asked about the tax on the residents. Mr. DeHarpart said that the City will be fiscally responsible through taxpayer funds for any cleanup necessary. Mayor Zita said that any changes in the contract would have to come back to Council for approval. Mr. Harbert asked about the current application on file. Mayor Zita assumed it was submitted in July/August 2025.

Ms. Lee moved to adopt Ord. No. 119-2025; seconded by Mr. Lukens.

Roll Call: Yes: Lee, Lukens, Eader, DeHarpart, Harbert

TOPICS FOR NEXT MEETING – Monday, February 2, 2026

Planning Commission recommendations for placement of adult-use cannabis businesses in the zoning code.

NON-AGENDA ITEMS

Mr. Lukens reported that there are 15 – 20 potholes on Norton Avenue in the eastbound lane. Mr. Rorar noted they will look into it but with the weather conditions, cold patching is not effective.

Mr. Tousley asked for an update on the school signage at Hametown Christian School, including a timeline from the City Engineer.

Ms. Lee asked about the hours of the warming center and the Mayor said he will extend them, if necessary.

Mayor Zita announced the upcoming Summer Concert Series schedule will be out shortly.

Address to Norton City Council – January 20, 2025

Mr. Mayor, President of Council, Council Members, and Citizens of Norton,

First of all, I would like to welcome you, Mr. Rorar.

As you know, the upkeep of the City of Norton both by the city and residents is near and dear to my heart.

In 2026, I look forward to continuing progress in this matter but am concerned about how that might happen after reading the new job description for the position of Zoning Administrator.

This position of zoning administrator is critical to assure our community remains safe, healthy, prevent blight, maintain property values and therefore tax base on property values.

By assuring compliance with Norton's codes and zoning this position would be the first line of defense against neighborhood decay.

In reviewing ordinance #2-2026 for the amended job description of Zoning Administrator, it is my opinion the job description is lacking and vague in multiple ways.

For example:

1. It states: "This position is responsible for the oversight of management of inspection operations and enforcement of the zoning code in the field and within the office."

Since the words "oversight of management" are used, does this mean that the zoning administrator will manage others doing the field work in zoning and property codes? And if not, then who will be doing the inspections and enforcement of Norton's codes?

2. It states: "Will serve as City's code enforcement officer as deals with property maintenance."

This needs to be detailed since there has been continuous confusion in the past, for the zoning administrator at one time only responded to citizen complaints, I feel it is imperative that these responsibilities should be outlined crystal clear and include:

- Schedules and performs city wide systematic property maintenance inspections to maintain or achieve minimum property standards.
- This would be in addition to responding to citizen complaints.
- Will perform scheduled canvas of the city for violations in order to complete a review for the whole city annually.
- Maintain accurate records of these survey routes and reports pertaining to daily activities, enforcement actions, and inspections from violation to resolution.
- Systematic follow up on previous violations.

3. When evaluating a property for violations, the administrator will issue a complete notice of all violations outlining multiple violations if present.
4. Consideration should be given to reorganizing the job description using an outline consistent with the job description for the City's Administrative Officer.

The above is just a few of the items I find that need attention with this job description.

The Zoning Administrator's job description is the foundation to the success of the person carrying out our zoning and code enforcement.

For the City of Norton's future, it is imperative that there is clarity.

It is not my intention to stand here tonight to tell you how this job description should be written but rather to show you through a couple of examples what has been written is in need of a rewrite.

In fairness to the individual in this position they should have clear outlined job responsibilities.

How else can an evaluation of their success or failure be measured.

Therefore, I would ask council at this evening's council meeting to **table Ordance No 2-2026** so that the job description can be reviewed and rewritten. In addition, this will give Mr. Rorar, our new city administrator an opportunity to have input into the job description.

I would also request that council add a line item to budget funds for litigation when needed to support code and zoning enforcement for without funds available to completed this job why even have this position.

Thank You

Good evening Council Members,

Thank you for the opportunity to speak this evening. I am here on behalf of a group of concerned Norton residents regarding the limestone mine property on Limestone Drive.

As you know, the property is currently owned by Norton Energy Storage, or NES. Due to an agreement with the City that is nearing expiration, ownership of the mine may soon revert to the City of Norton. We are respectfully asking Council to approve a one-year extension of the City's contract with NES through the end of this year.

Our concern is that if the City assumes control, it would own only the mine itself and not the surrounding 90 acres. This limitation would make the property extremely difficult, if not impossible, to develop for any clear commercial purpose. In that case, the City would lose a significant opportunity for future tax revenue—revenue that could support our schools, police, fire, and EMS services. Instead, the mine would likely become a long-term financial burden, requiring taxpayer dollars for insurance, security, and maintenance without providing any benefit in return.

Recently, the City had an opportunity to consider a data center project on this site. That proposal required no tax abatements and promised substantial financial benefits for Norton, including millions of dollars for our schools, along with direct contributions to both the Police and EMS departments. While opinions may differ on that specific project, it clearly demonstrated that this property has real potential to generate meaningful revenue for the community.

Many residents were disappointed that the project was dismissed amid intense public pressure. Much of that opposition appeared to be based on outdated or inaccurate information, and a significant portion of the voices involved were from outside the City of Norton. While public input is important, decisions of this scale should ultimately be guided by accurate information and by what best serves Norton residents and taxpayers.

We also believe it is important to acknowledge a potential conflict of interest. One member of Council lives adjacent to the property in question and has publicly supported the City assuming ownership of the mine as well as purchasing the surrounding land at a cost of approximately 1.2 million dollars, with the goal of preventing ANY future development. Unfortunately, when you purchase a home with open land behind it, there is always a chance that property will be developed and the buyer clearly understands that. May not be what they would prefer, but it is a fact. While we respect individual viewpoints, for the sake of transparency and public trust, we respectfully suggest that this Council member recuse himself from voting on matters related to this property.

It is also important to note that a data center is only one possible use. Extending the contract with NES would allow additional time for NES to continue exploring other viable options in cooperation with the City, rather than immediately shifting the cost and liability of the mine onto Norton taxpayers.

Each Council member has a responsibility to act in the best interest of the entire community. At this time, owning a mine that is difficult to insure and has no clear development path presents significant financial risk with little upside. A one-year extension simply preserves flexibility and keeps options open.

We are not asking Council to decide tonight what the property should ultimately become. We are only asking for time. This extension costs the City nothing, harms no one, and could provide long-term benefits for all Norton residents. We respectfully ask that you vote to approve this one-year extension. Thank you for your time, service and thoughtful consideration.
