NOW THEREFORE, BE IT RESOLVED by the Council of the City of Norton, Summit and Wayne Counties, Ohio, three-fourths of all members elected or appointed thereto concurring that:

Section 1. It is hereby determined to be necessary to improve Brookside Court, Brookside Drive, Clubview Drive, Croydon Road, Easton Road, Higgins Drive and Rangeley Road between certain termini as described on **Exhibit A** attached hereto and Alberta Drive, Brookside Drive, Clubview Drive, Everett Drive, Greenwich Road, Higgins Drive, Little Boulevard, Nash Boulevard, Shellhart Road, Valley Drive, Weyrick Drive and Wooddale Drive between certain termini as described on **Exhibit B** attached hereto by constructing and installing approximately 33,500 feet of 8-inch gravity sanitary sewer lines, approximately 1,300 feet of 12-inch gravity sanitary sewer lines, and approximately 2,000 feet of 6-inch sanitary force main, including manholes, laterals and a pump station, all together with the necessary appurtenances thereto (the "Improvement"), as such Improvement is more fully described and depicted in the plans and specifications for the Improvement now on file with the Clerk of Council.

- Section 2. Pursuant to Section 727.09 of the Revised Code, this Council hereby finds that the Improvement is so situated that, in order to complete the Improvement in the most practical and economical manner, the Improvement shall be treated as one single improvement that may be improved by one contract.
- Section 3. The plans, specifications, profiles and estimates of cost of the Improvement, prepared by Environmental Design Group, the City's Consulting Engineer, and now on file in the office of the Clerk of Council, are approved and made a part of this Resolution. The Improvement must be made in accordance with the plans, specifications and profiles for the Improvement.
- Section 4. The entire cost of the Improvement, less the City's required minimum share of 2% and the cost of intersections required by Section 727.05 of the Revised Code and any other contributions as may be authorized by Council, shall be assessed upon all lots and lands bounding and abutting on the Improvement between the termini described in Section 1 of this Resolution in proportion to the benefits resulting from the Improvement. A list of those lots and lands bounding and butting on the Improvement is attached hereto as **Exhibit C** (the "Assessed Parcels"), which Assessed Parcels are hereby determined to be specially benefited by the Improvement. The cost of said Improvement shall include the cost of preliminary and other surveys, plans, specifications, profiles and estimates of printing, serving and publishing notices, resolutions and ordinances, the amount of damages resulting from the Improvement and the interest thereon, the costs incurred in connection with the preparation, levy and collection of the special assessments, the cost of purchasing, appropriating and otherwise acquiring therefore any required real estate or interests therein, expenses of legal services including obtaining an approving opinion, cost of labor and material, and interest on bonds and notes issued in anticipation of the levy and collection of the special assessments, together with all other necessary expenditures.
- Section 5. The Consulting Engineer is authorized and directed to prepare or cause to be prepared and filed in the office of the Clerk of Council the estimated assessments of the cost of the Improvement described in this Resolution. Those estimated assessments shall be based upon the estimate of cost of the Improvement now on file in the office of the Clerk of Council and shall be prepared pursuant to the provisions of this Resolution. When the estimated assessments have been so filed, the Clerk of Council shall cause notice of the adoption of this Resolution and the filing of the estimated assessments to be served in the manner provided by law on the owners of all lots and lands to be assessed.
- Section 6. In accordance with Section 727.12 of the Ohio Revised Code, the special assessments to be levied shall be paid in accordance with one of the following payment schedules, which payment schedule shall be determined by Council in the ordinance levying special assessments for the Improvement pursuant to Section 727.25:

- (a) If the City obtains loans or issues bonds to pay costs of the Improvement and the term of the loans or bonds is 30 years, then assessments to be levied shall be paid in 30 annual (60 semi-annual) installments, with interest on the unpaid balance of each special assessment at the same rate as shall be borne by the bonds to be issued in anticipation of the collection of the total of the unpaid special assessments or, if such bonds are not issued, at the rate or rates of interest determined by this Council when it passes the assessment ordinance levying those assessments; or
- (b) If the City obtains loans or issues bonds to pay costs of the Improvement and the term of the loans or bonds is 20 years, then assessments to be levied shall be paid in 20 annual (40 semi-annual) installments, with interest on the unpaid balance of each special assessment at the same rate as shall be borne by the bonds to be issued in anticipation of the collection of the total of the unpaid special assessments or, if such bonds are not issued, at the rate or rates of interest determined by this Council when it passes the assessment ordinance levying those assessments.

The owner of any property assessed may elect to pay the special assessment in cash within 30 days after passage of the ordinance levying the special assessments for the Improvement pursuant to Section 727.25 of the Revised Code.

Section 7. Bonds of the City may be issued in anticipation of the collection of the special assessments in annual installments and in an amount equal to the total unpaid special assessments; notes of the City may be issued in anticipation of the issuance of those bonds and the levy of the special assessments. The proceeds of the sale of such bonds and/or notes and the assessments collected shall be applied to the costs of the Improvement. The remainder of the entire cost of the Improvement, after application of the special assessments herein provided, may be paid by the issuance of bonds in the manner provided by law or from other funds available to the City for this purpose.

Section 8. The Administrative Officer of the City is hereby authorized and directed to seek bids for the construction of the Improvement in accordance with applicable competitive bidding procedures; provided that, no contracts for the construction of the Improvement shall be awarded until and unless the Council of the City passes an ordinance determining to proceed with the construction of the Improvement; and any such contracts shall be approved by the Board of Control of the City.

Section 9. All formal actions of this Council related to this Resolution and all deliberations of the Council and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.
